

Hawaiian Acres Lot Owner Survey

Spring 2009

Instructions:

Please print this survey, fill in your responses, and mail it back to the HACA office or send as email attachment to <suggestions@hawaiianacres.org>, by July 1st, 2009.

Your responses are not votes, as the subjects mentioned do not represent official motions made nor prospective actions pending, but are guides for HACA policies and priorities. To limit responses to one per lot owner, please indicate one tax map key. If you own more than one lot, you may indicate how many lots you own. You may find your tax map key easily on your property tax statements. **Without your TMK, your responses will be disregarded.**

Survey participation does not require membership in HACA nor HARC.

Please limit your responses to "Yes" or "No". Any other response may be given in the "Comments" section.
